Statement of Accomplishment

WITH DISTINCTION

ALEXANDER WOLF

HAS COMPLETED THE UNIVERSITY OF EDINBURGH'S ONLINE OFFERING OF

Astrobiology and the Search for Extraterrestrial Life

The course provides an introduction to astrobiology and the search for extraterrestrial life, covering the diverse areas of science, including physics, biology, chemistry, and social sciences that make up the interdisciplinary field of astrobiology.

A handwritten signature in black ink, appearing to read 'C. Cockell', written over a horizontal dotted line.
